FOREIGN BROADCAST INFORMATION SERVICE

Of Special Interest This Week

+ LIVE SOVIET COVERAGE OF SUMMIT PROVIDED - FBIS provided CIA analysts live coverage from Soviet television of President Reagan's visit to Moscow beginning 26 May. The coverage included his arrival and meetings with General Secretary Gorbachev as well as extensive Soviet television reportage on the United States and background to the Summit. While President Reagan's 1 June press conference was carried live on U.S. networks, Soviet television carried normal, non-Summit programming. The same day, however, Soviet television carried General Secretary Gorbachev's press conference live.
